Review of current Mass schedules: Please take a consultation sheet available at Church doors this weekend and complete it today or during the coming week. Please return it to the box in the Church today or next weekend. The consultation process is to help us at parish level comply with Bishop Fintan Monahan's request that we review the number of weekend Masses in the Cluster, due to a reduction in the number of priests in the cluster, with a view to stream lining Masses in the cluster. Your co-operation is appreciated.

We ask all Readers, Eucharistic Ministers and those entering and exiting the Sanctuary from the church; to enter at the side aisle sides, using the brass handrails to assist them. This is a very important request in the interest of Health & Safety.
