WORLD MEETING OF FAMILIES In four weeks' time the World Meeting of Families will take place in Dublin and Pope Francis will be visiting Ireland. Clarecastle/Ballyea Parish will be holding an event to mark this wonderful occasion. The first part of our marking this occasion, we are inviting everyone to put family photographs up on the two boards which are in each church. We hope to have a collage of photographs, which will be used as a focal point on the evening that we as a parish family celebrate the World Meeting of Families.

Garda Vetting: A note to all who have applied to be Garda Vetted from work in the parish, with children and vulnerable adults. Please check your emails for an email requesting you to complete an online vetting application form. The email will be sent to you after the diocese has submitted your request to be vetted. It is important that you complete this form. You will have thirty days from the day you receive the email to complete it. If it is not completed with 30 days the application will be withdrawn and you will have to begin the process again. When you have completed the form and your application has been vetted you will receive another email saying – “A Disclosure has been made to the Diocese of Killaloe”. Please do not panic at the word Disclosure, there is nothing wrong, all it means is that the Diocesan Office has been notified that your vetting application has been cleared. Seemingly Disclosure is a legal term that means you are vetted and cleared.

Respecting The Dead Graveyards are very special and very sacred places. They are places we lay our deceased loved ones to, as we put it “*Rest in Peace*”. They are places where we go to remember and connect with our loved ones who have gone from this life to God. For these reasons they are places of special significance, holiness and indeed grace. Sadly lately some graves at Charehill have been interfered with. Flowers, plants etc. that had been placed on the graves by family have been removed. These actions have caused huge hurt, pain and re-opened deep feelings of grief for the families whose graves have been interfered with. These actions are deeply painful and traumatising for people. Let us all be vigilant in our efforts to discover what is happening in our parish graveyard, and in our determination to stamp it out. We respectfully appeal to those involved in this appalling behaviour to **STOP**.
