Clarecastle hits the 300 mark The Tidy Towns Committee would like to thank its dedicated volunteers and local organisations, residence associations and businesses who helped in any way with this year's work programme that resulted in Clarecastle achieving the **300 point milestone**. With this achievement the committee, who re-established in 2011 after a 17 year lapse, are working on a new 3 year plan (which includes completion of the transformative Village Street Rejuvenation Programme) and will entail greater levels of community participation. This is particularly important if the Village is to make the quantum leaps necessary to make the winners' categories. A series of community consultations will take place over the winter months to explore new collaborations and bring forward ideas and initiatives to incorporate into the plan. Next meeting on **Monday 8th October in the Old School at 8pm**. New members welcome.

The Silver Branch - After many Int'l Sell Out Screenings and Awards, will be screened in Glór on Saturday, 20th Oct. at 8pm. A incredible film, with sublime imagery and poetic narration - The characters' affection for the Burren is contagious, particularly McCormack's, who attaches an almost spiritual sense of importance to it.
