Parish Update: The work on the parish campus at Church Drive is now complete. The painting of the Church and the buildings on the campus at Church Drive is now complete. Thanks to all who were part of that work and to all our parishioners who were so patient during the works. This year we undertook an ambitious project of work, which saw the development of a new Parish Office, development of a new prayer space to combine with the children's room at the back of the Church. Also, work has been undertaken at the new graveyard on Clarehill which has and will enhance that very special sacred space. This work is due to the contributions of parishioners over the years and for this generosity we **Thank You**. In addition we appreciate those who remember the Parish in their *Wills* and families or people who offer to undertake the support of a project or parish venture in memory of a loved one. This support is always welcome. **Mile Buiochas.**
