Easter Blessings: We celebrate this weekend the most important time in the Church's year, when we remember the hope that is offered to us as Christians and to the world in the death and resurrection of Jesus. We celebrated the Easter mystery in beautiful liturgies here in our parish churches over the past few days. I extend a deep and sincere **Thank You** to all who were in any way part of these celebrations and who through their generosity, creativity and spirituality brought to life the significance of the Paschal Mystery – the suffering, death and resurrection of Christ – over these past few days. Thanks too, to all who prepared the churches in any way for our Easter celebrations may the joy of Easter be ours and may we move forward with the spring of hope in our steps as we once again rekindle the awareness that the Risen Lord walks with us. **Happy Easter** one and all and welcome to all who visit us at this time.
