**Fly-Tipping & Litter Reporting** Re on-going Fly-tipping in Clarecastle - Clarecastle Tidy Towns are requesting Parishioners to use the EPA mobile phone app **"See it Say It"** to report Fly Tipping & Litter. This app allows you to take a Picture of the rubbish and submit it to EPA who will record the exact location (GPS) and log the incident & allocate incident to Local Authority responsible for the location litter was found. Clarecastle Tidy Towns have picked up Litter & cleaned up Fly -Tipping for the last 10 years in the hope that the situation would improve. We want to work with Local authorities to move to Proactive Management with better prevention and detection methods and culprit identification of the ever increasing Litter problem that we as a community are facing and the first place to start is actually recording each incident so that we can get true indication of the scale of the problem.
