Jubilee Celebrations: I wish to say a sincere **Thank You** to all who were involved in any way with the celebration of the Ruby Jubilee of my ordination to the priesthood which was held last weekend. It was a very moving experience for me as I recalled my ordination day, those present on that day, the people I have been honoured to serve in forty years of priestly life and the kindness and goodness of you all and so many others who have supported me in my priestly work over the years. At this time I wish to thank each and every person who took part, was present or had an organising hand in the celebration last Saturday evening. I wish to thank also all who have congratulated me on forty years of priesthood or expressed their continued good wishes for my future ministry, sent cards or best wishes messages. Saturday evening once again demonstrated the power of a community at work and what can be achieved when the talents, skills and resources of people are pooled. It demonstrates once again the truth of the axiom "Many stones do form an arch, singly none." Please continue to remember me in your prayers so that I may fulfil what I was tasked to do on ordination day when I was chosen from amongst the people "to act for them in their relationship with God." May I be a faithful minister of and witness to the gospel. I will offer Mass for all of you and your intentions. **Mile Buíochas.**
