Bishops Conference Statement: The recent meeting of the Irish Episcopal Conference held virtually during the week, issue a document titled “Framework Document for a Return to the Public Celebration of mass and Sacraments”. The statement outlines the steps that parishes will need to engage with prior to the welcome opening of churches for public worship from the **29th June**. Resuming public worship will come with restrictions and one of the chief ones will be with regard to capacity in the churches of the parish. The pastoral councils will discuss the document during the coming week and will brief people on the deliberations of the council in the coming weeks. We will need help from our parishioners to act in a voluntary role to enable the church and parish to function and will be grateful to all who volunteer. The full document can be viewed on the Catholic Communications office at www.catholicbishops.ie

Corpus Christi: Sunday 14th June: Today we celebrate the feast of the Body and Blood of Christ (Corpus Christi) “*From this feast have originated many practices of eucharistic devotion, that under the inspiration of divine grace, have increased from day to day and that the Catholic uses eagerly to show greater homage to Christ, to thank him for so great a gift and to implore his mercy*” Pope Paul VI. To mark the feast of Corpus Christi there will be evening devotions this Sunday evening at 7pm. These will be broadcast over the parish radio link and the webcam.

Feast of the Most Sacred Heart of Jesus: Friday, 19th June is the lovely Feast of the Most Sacred Heart of Jesus. In the Irish tradition in particular, the Sacred Heart of Jesus is a very central part of our early Christian upbringing. The protective, caring and appealing image draws us into the wondrous mystery of God. To celebrate the Feast of the Sacred Heart, we will have devotions on Friday evening at 7pm available on the parish radio link and the webcam.
