Monday is a Bank Holiday. Morning mass in Clarecastle Church on **Monday 7th June** will be at **11.00am**. Mass continues to be broadcast on the Parish Radio link and on the Parish webcam.

Peter's Pence & Diocesan Needs Collection will be taken up at all masses this weekend 5th/6th June. This collection funds the work of Accord Emigrants Commission and various other Pastoral outreach programmes of the Irish Church. Thank you for your support.

Examinations: This coming week the Leaving Certificate Students in our Post Primary Schools will sit their final examinations. The examinations will proceed over a three week period in June. Some students have made the choice to opt for predictive grades, others to sit the examinations and others again have opted for a combination of both options. Whichever way you take these final examinations we in the Parish Community of Clarecastle/Ballyea want you to know that we are thinking about you, praying for you and wishing you every success at this time. The last two academic years have been very different to the norm we are used to. Both school years have been heavily disrupted and the result is that the examination system has adapted to a new way of assessing and rewarding those who undertake exams and graduate from Post-Primary Education. To all of you who graduate this year, know you are well capable of adapting to the new way too. As you journey from Post-Primary Education to your next step in life, be assured of your own innate goodness, capability and uniqueness and no matter what happens in life may you never lose that sense of your personal worth.

Mass for all who sit State Exams beginning on Wednesday next, will be **10.00am on Wednesday** morning. We wish all who are taking exams this year every support, grace and blessing.

Graveyards: Our gratitude is extended to the people on the graveyard committee who look after the graveyards and all who help them in maintaining them to the highest standards that they deserve. In order to maintain our graveyards to the highest standards we ask that people take away items that are no longer needed on their family graves and dump them with their household or garden refuse. Please do not just drop them in the graveyard in a heap against the wall or elsewhere. Your co-operation will be very much appreciated.
