Mission Collection: The annual collection for the missions and the work of our Irish missionaries abroad will be taken up at all masses the weekend of 9th/10th October 2021. Please use the yellow envelope in your yearly pack or an envelope of your own to make your contributions.

It is fair to say that Covid – 19 has turned our lives upside down and in many poorer parishes in Africa, Asia and Latin America, it is missionaries who are on the front line. These men and women already do so much; walking hand-in-hand with the marginalised communities, long before and long after the emergency. However, they desperately need our help and if there were ever a time when

World Mission Sunday was more needed it is now. We are all facing our own struggles in work life, family life and religious life at this time. However, we can't ignore the needs of overseas missionaries and the people they serve. With this in mind any support of the mission collection will be greatly appreciated.

Cómhghairdeas: We the Parish Community extend our heartiest congratulations to Roisin Cahill, Barntick on her barnstorming performance last month in winning the Gold medal at the European Ocean Racing Championships. Her exploits in Cherbourg saw Róisín embellish her already heaving trophy cabinet, this victory came hot on the heels of having won silver at the Under 23 surf ski race at the ICF World Ocean Racing Championships in Lanzarote in July, that medal was Ireland's first World Championship Ocean Racing Medal which makes this feat all the more special. Taking part in the World Surf Ski League as well as events in Hong Kong, Australia and New Zealand are all on Róisín's trajectory and we wish her well in the future.

*"When God pushes you to the edge, Trust Him fully,
because only two things can happen, Either He will catch
you when you fall or He will teach you how to fly."*
