Masses for Holy Souls: November is the month in which we remember all our dead and pray that they are living peacefully in the presence of God. We pray too that at the end of our earthly lives we will join them in the heavenly Kingdom of God. Fr. Harry & Fr Pat will offer masses during the month of November for all those names on the lists of the dead you return to the churches in November. We invite you to submit the names of those you would like to be remembered in those masses during November. Envelopes are available in your yearly pack and in all churches and can be returned to the Parish Office / Parochial House.

Evening Masses in November: In order to remember our dead during the month of November, there will be an evening Mass in Ballyea on Wednesday evenings at 8pm and evening mass in Clarecastle on Friday evenings at 7pm during the month of November. If there is a poor uptake for these evening Masses the situation will be reviewed as we progress through the month. As the Covid regulations are relaxed we still need to be vigilant and avoid unnecessary risks.

COP26

The 26th UN Climate Conference (or COP26 for short) begins today in Glasgow and will go on until Nov 12th. We are already seeing signs of climate breakdown. Parts of the world are under threat because of rising sea levels due to global warming. Severe extreme weather events are causing devastation, destroying lives, homes, lands and livelihoods, especially in the poorest parts of the world which are most at risk.

We pray for the success of COP26 during these days.
