There are supports in place to help you all and we want to assure all in the county are receiving appropriate supports. Special Collection for Youth Ministry: Arising out of the consultations and conversations concerning the Synod of the Church, one of the themes to emerge strongly was the churches outreach to Young People. The need for young people to be involved in church is obvious, their energy, creativity, vision and presence is essential in the day to day events of church life. The diocese is aware of its commitment to young people and Youth Ministry. In order to make that commitment more focused and dedicated to the care of young people a special collection to aid the creation of Youth ministry, a special collection for a Youth Ministry Programme will be held this weekend at all masses. We ask that you be as generous as you can to this collection. As there are no envelopes in the yearly pack, a special collection (retiring) will be held using containers for that collection. Please place your offerings in the containers at the church exit this weekend. We thank you for your generosity.
