Parish Donations: We are all aware of rising costs and running the Parish is no different. We are so grateful for your continued donations during this time. Did you know that if you contribute €250 or more a year, and you are assessed for income tax, the Church may be able to claim a refund to Church funds at NO expense to you. Contributions eligible for the scheme exclude contributions to the Missions, The Clerk's and Trócaire collections. It simplifies the tax relief process for both you the donor and the charity. It's the most effective method for charities to claim the tax rebate. Many have already signed a CHY3 form and we are extremely thankful as it really does make a difference.
