Our Focus at this stage is on Tidiness and ensuring the place is Litter and Weed free and well presented. This is a special appeal to all to assist in whatever way you can and please ensure that your own premises, estate is well presented - that your area and road frontage is litter and weed free. Could you spare 15 Mins a day to adopt a small section of road frontage or a open space to ensure that it is litter Free and help out our small team of volunteers.
